

Compulocks BrandMe Brandable VESA Security Lock Floor Stand For Tablets(140B)
 Compulocks BrandMe Brandable VESA Security Lock Floor Stand For Tablets - Stand for tablet - aluminium - black - floor-standing - for P/N:224SEW

Our BrandMe floor stand allows you to utilize a panel for branding, call to action or custom design to bring attention to your interactive display or kiosk. The tilting mount allows the iPad enclosure to be set in either portrait or landscape mode and the stand base offers additional security features, securing the power source and bolting the unit to the floor.

Key Selling Points

- High grade aluminum construction
- Can be set in landscape or portrait mode
- Full tilt screen
- Wire management through base
- Can be bolted to floor
- Simple mounting
